

Christopher Retlich

Objective

I plan to learn more about computers and technology. I can contribute help with programming, web design/creation, or data entry. I am looking to be employed part-time or have an internship.

Education

2005 – Present Lakeland College Plymouth, WI

- Computer science major
- Math and science courses
- 3.91 GPA

2000 – 2004 Kiel High School Kiel, WI

- Computer-science oriented course selection
- Active membership in Science Club for 4 years
- Spanish Club membership for 4 years
- 3.67 GPA

Awards and Honors

- Dean's List – Lakeland College 4 out of 4 semesters
- Member of the National Honor Society
- Who's Who Among American High School Students
- National Science Merit Award winner- United States Achievement Academy
- Science Club letter
- Academic Letter
- Student of the month: Spanish
- Student of the month: Computer Science

Skills and Experience

Computer, MS office (Word, Excel, PowerPoint, etc.), PHP, HTML/JavaScript, Flash, Adobe Premier, Visual BASIC, C++ and JAVA.

- Lakeland College website: May 2005 – present. I helped with updating to a new site design, implemented new features, improved existing code, and help perform regular updates.
- I created a voting program for a teacher, and it was used to pick the prom court. I also designed and created the Science Club website, and did many other miscellaneous projects for some of my teachers.

Language, Proficient in Spanish

Interests and activities

Computer programming, Web page design, electronics.
