Retlich or Smeagol?

* * *
The answer I made you wait an entire month for. Alright, we all remember Smeagol, aka Gollum, the crazy little character who ran around in the Lord of the Rings movies chasing after Frodo and the Ring and bit off a finger to get it in the end. Hope I didn't spoil the end of the story for those of you who haven't seen it. Chris and I went to go see *The Return of the King* about a month ago (as of this weekend it was STILL playing at Sheboygan. Crazyness if I do say so myself). Anyways, I happened to notice certain similarities between the guy sitting next to me and the hobbit-like creature on the screen. First, both are crazy. This is indisputable. Although Chris would probably say that Crazy is an invisible color of light that only he can see. Both enjoy singing little songs that sometimes seem out of place. Both are mischievous, devious, and find clever ways to accomplish what they want. And finally, both have an obsession with running around referring to things as "My Precious." Indeed, the more I've thought about it, the more I realized how different Retlich has behaved since seeing that movie. Could the spirit of Smeagol have descended upon him? Could some ancient, inborn behavior been awakened by seeing the movie? I do not have the answers. I do have several ways to prove whether or not Chris is actually Smeagol, or a Smeagol-like creature, in disguise. First, look at his feet. If they're large, hairy and disgusting we may have a winner. Second, try to get a glimpse of him without his glasses. Gollum's eyes are said to be large and lamplike, aiding his night vision. Personally, I think the glasses are just a mask to throw us off his trail. Third, we all know Retlich is thin and wiry. So what if he's a little taller than 4 feet... And as for the black skin, that's nothing a lil concealer can't hide. I'm not saying that Retlich is a crazed murdering evil creature, I'm just saying there are some resemblences. If I were you, I'd keep any rings locked up in a safe place- especially if they're big and gold with elvish scribbled on them.

Evil Overlord Career Guide - Part 5

31. All naive, busty tavern wenches in my realm will be replaced with surly, world-weary waitresses who will provide no unexpected reinforcement and/or romantic subplot for the hero or his sidekick.

32. I will not fly into a rage and kill a messenger who brings me bad news just to illustrate how evil I really am. Good messengers are hard to come by.

33. I won't require high-ranking female members of my organization to wear a stainless-steel bustier. Morale is better with a more casual dress-code. e. Similarly, outfits made entirely from black leather will be reserved for formal occasions.

34. I will not turn into a snake. It never helps.

35. I will not grow a goatee. In the old days they made you look diabolic. Now they just make you look like a disaffected member of Generation X.

36. I will not imprison members of the same party in the same cell block, let alone the same cell. If they are important prisoners, I will keep the only key to the cell door on my person instead of handing out copies to every bottom-rung guard in the prison.

37. If my trusted lieutenant tells me my Legions of Terror are losing a battle, I will believe him. After all, he's my trusted lieutenant.

38. If an enemy I have just killed has a younger sibling or offspring anywhere, I will find them and have them killed immediately, instead of waiting for them to grow up harboring feelings of vengeance towards me in my old age.

39. If I absolutely must ride into battle, I will certainly not ride at the forefront of my Legions of Terror, nor will I seek out my opposite number among his army.

40. I will be neither chivalrous nor sporting. If I have an unstoppable superweapon, I will use it as early and as often as possible instead of keeping it in reserve.

Name That Tune

The answer to February's Name that Tune was "My Immortal" by Evanescence.

This month's Name that Tune Lyric is: "Some boys kiss me, some boys hug me I think they're O.K. If they don't give me proper credit I just walk away..."

Hint: the chorus of this song is on the Moulin Rouge Soundtrack
